

Helpful Hints for Chaperones

Chaperones must remain on site for the duration of the Relay and remain at the campsite during the overnight hours. Include your name, full address, and phone numbers on the Youth Team Registration Form. Your team must have at least one chaperone for every five members.

Attend at least one team captains' meeting. Team captains' meetings present an opportunity for you to ask any questions you may have about youth teams or chaperone responsibilities.

Pay the Relay registration fee, sign a waiver of liability, and follow a set of ground rules (outlined on the Relay For Life Youth Code of Conduct form).

Keep track of youth team members' whereabouts and make sure they follow the ground rules. Chaperones should make sure that team members sleep at the assigned campsite. Pay special attention to preventing any co-ed sleeping. If they are awake during quiet hours, youth members must remain in areas designated for nighttime activities.

Report any problems to designated staff or Relay committee members (identified by their T-shirts).

Keep a list of emergency contacts for each of your youth team members.

Each chaperone is strongly encouraged to carry a cell phone.
